

BOOK CLUB: WOUNDED BY LOVE (ST. PORPHYRIOS)

A Modern Saint Offers Practical Wisdom

Join us to learn from a simple yet profound elder, St. Porphyrios (+1991), who offers practical advice on a number of daily struggles: how to thirst for God; how to love difficult people; how to please God in your work; how to turn everything into prayer; how to manage depression, sadness, boredom; how to uncover hidden self-love that obstructs true joy; how to raise children; and more.

**“You don’t become holy by fighting evil. Let evil be. Look to Christ; He’ll save you. What makes a person saintly is love.”
-St. Porphyrios**
